

# Town of Florence

## Community Services Facilities

### Florence Fitness Center

#### Re-opening Plan

(Effective Monday, April 19, 2021)

Starting on Friday, April 16 to Monday, April 19, a soft opening will occur for Town employees only. This will allow for the new systems put in place to be tested before going live. Providing no issues arise, the facility will open to the public on Monday, April 19.

#### General Safety Guidelines/Operations:

- Social distancing rules will be enforced based upon CDC guidelines. A general rule is to maintain at least 6 feet of separation
- Cardio equipment usage should allow for one empty machine in between users that are not from the same household
- Before entering the facility, please self-ensure you are not ill or showing signs/symptoms of COVID 19
- All guest must wipe down their machines with provided disinfectant after use
- Only one guest at a time should use a particular piece of equipment to reduce spreading points
- The Fitness Facility encourages each guest to bring their own water bottle and towel
- Hand sanitizer stations located throughout the facility for use
- Before use sanitize the locker, you intend to utilize with provided disinfectant

#### Operations:

24-7
